GREAT LINES

BONA SUPERSPORT LINE PAINT

1K waterborne performer

Bona[®]

1K PERFORMER

GREAT LINES FOR TOUGH ACTION

Paint gives a sports floor character. The new Bona SuperSport Line Paint is a waterborne one component line-marking paint for use on indoor sports floors. With greatly improved hiding abilities, fantastic application properties and much easier removal of masking tape, this new line paint will create great lines on any sports floor.

OPTIMIZED PAINT FOR SUPERSPORT LINES

Bona SuperSport Line Paint is specially developed for use with the Bona SuperSport System for both wood and resilient flooring. It works superbly together with our coatings and primers creating the ultimate sports floor. It has excellent hiding and perfect adhesion even without sanding. The masking tape can be taken off at any time after the application, up to a few hours later, without detaching the edges. With a drying time of two hours, you can enjoy shorter waiting times for your next work steps.

- ✓ SAFE & EASY PROCESS
- ✓ FOR WOOD & RESILIENT FLOORS
- ✓ EXCELLENT HIDING

SAFE TAPE
REMOVAL

SAFE & EASY PROCESS

With Bona SuperSport Line Paint, the risk of bleeding is minimal and removal of the masking tape is easy. Being waterborne, it is also safer for your health without compromising on functionality.

VERSATILE

Bona SuperSport Line Paint is perfect for both wood and resilient floors. It is available in ten vibrant, mixable colours to achieve a wide selection of different shades and blends.

EXCELLENT HIDING

With its high concentration of pigments, it is possible to provide full coverage in a single application, thus simplifying the line marking process and enhancing its efficiency.

APPLY ON INSTALLED FLOORS

Bona SuperSport Line Paint has excellent adhesion. When applied between coats of finish, the line paint can be used directly from the can. In situations where it is used without a protective finish, the paint can be boosted with a hardener for enhanced resilience against chemical and mechanical stress.
