Bona[®]

ONE MACHINE
TWO ARMS

Bona CombiEdge UX

Compact and Versatile

Experience the Bona CombiEdge UX – a compact and versatile edge sander designed with user comfort in focus. Easily switch between the 130 mm short arm and the 330 mm long arm. The longer arm provides superb reach under stairs, deep toe-kicks and radiators.

Its sleek, modern design and ergonomic handles ensure a comfortable and efficient sanding experience. Ideal to pair up with Bona FlexiSand – giving an optimal set up for all your day-to-day projects. For optimal dust containment, pair it with a Bona DCS machine.

COMFORTABLE HANDLE

Ergonomic handles offering maximum comfort

DISPLAY

Backlit display providing operational information

LED LIGHT

New wide LED light for better floor visibility

DOUBLE CLICK TO START

Double click to start system prevents involuntary starts

APPLICATION

For edge sanding on all types of wood and parquet flooring.
