Bona Service Kit

Take **care** of your **investment**

To make life easy, you can now perform basic service by yourself on a regular basis. Based on experience on what requires attention, Bona has put together service kits with the most common spare parts as well as clear instructions for easy replacement.

With a Bona Service Kit at hand, downtime is minimized, and spare parts will be there when you need them, making you always ready for the job.

KEY BENEFITS

- Always ready for the job
- Keeping performance on top
- Extended machine life
- Original parts
- Rapid repair

SERVICE INSTRUCTIONS AND VIDEOS

Each kit comes with easy to follow instructions. Short self explanatory films are available online at bona.com/service-kit

CONTENT IN **BONA BELT KIT**

Hinge for Sidecover

- Shuts the door better and prevents dust emitting
- Gives a more professional impression

Arbor Wrench

- Allows you to change the abrasive faster and saves time

Poly-V Belt L and XL

- Prolongs the life of the machine due to the engine running smoother
- Improves the performance of the machine compared to when the belt is worn

Disposable Dust Bag, Large

- A cleaner workplace gives great health benefits

Cable Holder

- Reduces the risk of damaging the cable when sanding
- With cable and dust hose in place, you can focus on sanding
