**Bona**<sup>®</sup>

## Bona Service Kit

Take **care** of your **investment**

To make life easy, you can now perform basic service by yourself on a regular basis. Based on experience on what requires attention, Bona has put together service kits with the most common spare parts as well as clear instructions for easy replacement.

With a Bona Service Kit at hand, downtime is minimized, and spare parts will be there when you need them.

### KEY BENEFITS

- Always ready for the job
- Keeping performance on top
- Extended machine life
- Original parts
- Rapid repair

### SERVICE INSTRUCTIONS AND VIDEOS

Each kit comes with easy to follow instructions. Short self explanatory films are available online at [bona.com/service-kit](https://bona.com/service-kit)

### CONTENT IN **BONA EDGE XL KIT**

#### Velcro Disc 178mm

- Ensures that the abrasive is held in place and does not fall off during sanding

#### Wheel

- Better end results thanks to a more even sanding
- Avoid scratches on the floor when the wheel gets worn
- Easier handling of the machine

#### Extention Cable orange

- Avoid a safety risk and replace cable when damaged or worn

#### Carbon Brush

- Longer life of the machine due to smoother running engine

#### Cogged Belt 220mm

- Prolongs the life of the machine due to the engine running smoother
- Improves the performance vs. when using a worn belt

#### Disposable Dust Bag, Small

- Provides a cleaner workplace which gives great health benefits when sanding the floor
