PREPARATION

Easy to assemble – see package for instructions on initial assembly.

Always vacuum floor before wet cleaning to ensure that dirt and grit is removed and does not scratch the floor.

INSTRUCTIONS FOR USE

1. Mist Bona Wood Cleaner on a small section of the floor.
 2. Wipe off floor section using a Bona Microfiber Cleaning Pad. Rinse & wring cleaning pad as it becomes soiled. Continue section by section to clean the entire floor.
- On stubborn spots, rubber heel marks or sticky spills etc, spray cleaner directly onto spot and let work a few minutes. Scrub spot clean with a cleaning pad.

Cleaning Pad can be washed in 60°C up to 500 times. Do not use fabric conditioner.

Avoid leaving your mop standing with a wet cleaning pad face-down on the floor surface when done cleaning – this may cause permanent damage to your surface.
